And here are possible dates/times I have for a wrap up meeting:

- 8/18 @ 9am
- 8/19 from 11am to noon
- 8/25 9am until noon
- 8/26 10:30 am until noon

Hope one of these will work for everyone, and happy to have the meeting here in Brookfield's office.

Just circling back re: National Night Out

As we wrap up this year's National Night Out wanted to do a couple of things:

1. Should we schedule a short debrief meeting to capture lessons learned and hopes for next year?
2. Make sure we thank everyone that contributed.
3. Keep track and share that contact information with others as appropriate.
4. If a contact is special and should only be contacted by a particular person let's note that but still share basic info.
5. Pacific Boosters is a 501c3 so can provide tax deduction letters to all donors. Diane Barretti (sbpress7@aol.com<mailto:sbpress7@aol.com>) is copied and I believe Warren is now attending Pacific Boosters meetings.
6. There are several annual LAPD events that can use support besides National Night Out.
 - a. National Night – August
 - b. Station Open House/Pancake Breakfast – Sept/Oct?
 - c. Chris Williams memorial Thanksgiving Officer Appreciation Dinner (feed 150+ officers and civilians) – wed before Thanksgiving. (local citizens and restaurants, businesses donate goods and food)
 - d. Santa Sleigh Stops – Community Outreach – early/mid Dec
 - e. Winter Wonderland Toy Give Away – Mid Dec – large event attracts several
 - f. Pacific Boosters Golf Tournament (cancelled this past yr.) – helps fund Pacific Cadets – youth development program and station “beautification” fund.
 - g. Maybe other standing events that should be on this list too...
7. I've asked the organizers of the Thanksgiving Appreciation Dinner to begin to maintain a comprehensive contact sheet so LAPD and affiliates know who's been asked and contributed so we don't step on each other's toes and can be strategic about how we use and ask for community support.
8. Make 2017 National Night Out the standard bearer for future NNO's as it moves around to different communities with in Pacific.
9. Listed below is a contact for potential support that I wasn't able to follow up with this year so bring him and his company to our attention for future use.

Hi Rob....

I just saw the nice email you sent out with all the current news and happenings.

Thought I'd get back to you about the Venice Chamber Expo. Got some little bits and bites but one that I wanted to let you know about now.

Carl Lambert is the President of the Venice Chamber. His business is Lambert Investments and one of his properties is Venice Breeze Suites. His table was next to mine and he said he was open to help in any way he could. He knew Capt Johnson pretty well and is happy to be available for us. I gave him your flyer and pointed out your name for him to call regarding National Night Out. His info is 310-663-6030 and carl@lambertinc.com<mailto:carl@lambertinc.com>.

You might try him for sponsoring the dog walking? You have a direct line to Carl as I learned that night that George is Vice President of the Venice Chamber. Slowly I learn who everyone is.

See you next week .. is it the 15th?

Subject: National Night Out wrap up meeting?

Just circling back re: National Night Out

As we wrap up this year's National Night Out wanted to do a couple of things:

1. Should we schedule a short debrief meeting to capture lessons learned and hopes for next year?
2. Make sure we thank everyone that contributed.
3. Keep track and share that contact information with others as appropriate.
4. If a contact is special and should only be contacted by a particular person let's note that but still share basic info.
5. Pacific Boosters is a 501c3 so can provide tax deduction letters to all donors. Diane Barrett (sbpress7@aol.com) is copied and I believe Warren is now attending Pacific Boosters meetings.
6. There are several annual LAPD events that can use support besides National Night Out.
 - a. National Night – August
 - b. Station Open House/Pancake Breakfast – Sept/Oct?
 - c. Chris Williams memorial Thanksgiving Officer Appreciation Dinner (feed 150+ officers and civilians) – wed before Thanksgiving. (local citizens and restaurants, businesses donate goods and food)
 - d. Santa Sleigh Stops – Community Outreach – early/mid Dec
 - e. Winter Wonderland Toy Give Away – Mid Dec – large event attracts several
 - f. Pacific Boosters Golf Tournament (cancelled this past yr.) – helps fund Pacific Cadets – youth development program and station "beautification" fund.
 - g. Maybe other standing events that should be on this list too...
7. I've asked the organizers of the Thanksgiving Appreciation Dinner to begin to maintain a comprehensive contact sheet so LAPD and affiliates know who's been asked and contributed so we don't step on each other's toes and can be strategic about how we use and ask for community support.
8. Make 2017 National Night Out the standard bearer for future NNO's as it moves around to different communities with in Pacific.
9. Listed below is a contact for potential support that I wasn't able to follow up with this year so bring him and his company to our attention for future use.

Hi Rob....

I just saw the nice email you sent out with all the current news and happenings.

Thought I'd get back to you about the Venice Chamber Expo. Got some little bits and bites but one that I wanted to let you know about now.

Carl Lambert is the President of the Venice Chamber. His business is Lambert Investments and one of his properties is Venice Breeze Suites. His table was next to mine and he said he was open to help in any way he could. He knew Capt Johnson pretty well and is happy to be available for us. I gave him your flyer and pointed out your name for him to call regarding National Night Out. His info is 310-663-6030 and carl@lambertinc.com.

You might try him for sponsoring the dog walking? You have a direct line to Carl as I learned that night that George is Vice President of the Venice Chamber. Slowly I learn who everyone is.

See you next week .. is it the 15th?

Subject: National Night Out wrap up meeting?

Just circling back re: National Night Out

As we wrap up this year's National Night Out wanted to do a couple of things:

1. Should we schedule a short debrief meeting to capture lessons learned and hopes for next year?
2. Make sure we thank everyone that contributed.
3. Keep track and share that contact information with others as appropriate.
4. If a contact is special and should only be contacted by a particular person let's note that but still share basic info.
5. Pacific Boosters is a 501c3 so can provide tax deduction letters to all donors. Diane Barretti (sbpress7@aol.com) is copied and I believe Warren is now attending Pacific Boosters meetings.
6. There are several annual LAPD events that can use support besides National Night Out.
 - a. National Night – August
 - b. Station Open House/Pancake Breakfast – Sept/Oct?
 - c. Chris Williams memorial Thanksgiving Officer Appreciation Dinner (feed 150+ officers and civilians) – wed before Thanksgiving. (local citizens and restaurants, businesses donate goods and food)
 - d. Santa Sleigh Stops – Community Outreach – early/mid Dec
 - e. Winter Wonderland Toy Give Away – Mid Dec – large event attracts several
 - f. Pacific Boosters Golf Tournament (cancelled this past yr.) – helps fund Pacific Cadets – youth development program and station "beautification" fund.
 - g. Maybe other standing events that should be on this list too...
7. I've asked the organizers of the Thanksgiving Appreciation Dinner to begin to maintain a comprehensive contact sheet so LAPD and affiliates know who's been asked and contributed so we don't step on each other's toes and can be strategic about how we use and ask for community support.

8. Make 2017 National Night Out the standard bearer for future NNO's as it moves around to different communities with in Pacific.
9. Listed below is a contact for potential support that I wasn't able to follow up with this year so bring him and his company to our attention for future use.

Hi Rob....

I just saw the nice email you sent out with all the current news and happenings.

Thought I'd get back to you about the Venice Chamber Expo. Got some little bits and bites but one that I wanted to let you know about now.

Carl Lambert is the President of the Venice Chamber. His business is Lambert Investments and one of his properties is Venice Breeze Suites. His table was next to mine and he said he was open to help in any way he could. He knew Capt Johnson pretty well and is happy to be available for us. I gave him your flyer and pointed out your name for him to call regarding National Night Out. His info is 310-663-6030 and carl@lambertinc.com.

You might try him for sponsoring the dog walking? You have a direct line to Carl as I learned that night that George is Vice President of the Venice Chamber. Slowly I learn who everyone is.

See you next week .. is it the 15th?

Media Brief HQ- Monday, August 8, 2016

1. Marchers stage rally in Hollywood to show support for law enforcement officers
Rosa Padilla is the mother of a narcotics officer and mother-in-law to a son entering the police academy.
2. Head of Los Angeles Police Counter-Terrorism, Special Operations Bureau Speaks in Pasadena About Terror's "Evolving Threat"
The Rotary Club of Pasadena speaker will be Michael P. Downing, Deputy Chief, Los Angeles Police Department Counter-Terrorism and Special Operations Bureau and his talk on the "Evolving Threat".
3. Op-Ed In the Black Lives Matter era, we need justice well beyond the legal sense
America's violent summer — egregious shootings of more black men; egregious shootings of cops — has been exhausting, and far more exhausting than the extended aftermath of the riots of 1992, when the city exploded for six days following the acquittal of the four Los Angeles Police Department officers who beat black motorist Rodney King.
4. 3 ejected from speeding convertible Mustang in Reseda crash, 12 other cars hit
RESEDA — Three young men in their early 20s were critically injured today when they were ejected from a speeding convertible Ford Mustang that crashed into two cars in Reseda, then careened into a parked car, police said.
5. 2 bodies discovered at base of San Pedro cliff
The bodies of a man and woman in their mid-20s were found Sunday at the base of a cliff in the White Point area of San Pedro.
6. A Trump election could harm L.A.'s Olympics bid, Mayor Garcetti says
Los Angeles Mayor Eric Garcetti said Saturday that the results of November's U.S. presidential election could weigh heavily on his city's chances of hosting the 2024 Olympics, saying that a victory by Donald Trump could turn off IOC voters.
7. Don't let the Baca saga obscure the need for ongoing reform at the Sheriff's Department
The plea deal under which former Sheriff Lee Baca was to serve six months in federal prison looked like it might be the final act in the long-running drama of abuse and corruption in the Los Angeles County Sheriff's Department.
8. The Future is Rosy for the New Venice Chamber of Commerce Board

Los Angeles Police Department (LAPD) Pacific Division Captain Nicole Alberca performed the honors of swearing in the new Venice Chamber of Commerce (VCC) Board of Directors on Wednesday July 27 at the Rose Cafe-Restaurant in Venice.

9. Mother killed, young child hurt in shooting at Long Beach intersection

A 26-year-old woman was shot dead and her 4-year-old daughter was fatally wounded in a shooting in Long Beach, authorities said Sunday.

10. One missing Winnetka boy returned home, but LAPD still searching for his brother

One of two brothers reported missing this weekend was back home on Sunday, while police continued to search for the other boy.

Hi George!

It looks like he has a handicap placard in the lower right window. Handicap placards exempt parking meters. When I get a chance, I will have a chat with him and verify the placard does belong to him.

Guys,

This guy arrives yesterday.

He Parks all day at a meter and doesn't pat it.

No one tickets him.

Does it look like he is leaving anytime soon.

His door, soon to be a porch and hangout for stoeln good and drug deals is three feet directly in front of our tenants front gate.

Please help me.
